3. Attorney Copper is a DC Bar member, and took an oath that says she knows the law, and will obey the law.

4. Defendants continue to steal money from Kennedy.

5. Kennedy has no contract with Defendants and n contract with the IRS, yet Attorney Coppler insists Kennedy has such a contract.

6. 26 USC 7806(b) says that Title 26 is not the law. In other words, "No inference, implication or presumption of legislative construction shall be drawn or made by reason of the location or grouping of any particular section or provision or portion of this title..." N.B. "legislative construction" means "law."

7. 26 USC 4161(a) says lures must be taxed. Nordby supply Co. applied 26 USC 7806(b) to invalidate the lure tax.

8. The Internal Revenue Code is not the law. It only defines a contract between the IRS and the individual.

9. TITLE 26, UNITED STATES CODE SERVICE.

Section 7806. Construction of Title.

(a) Cross references. The cross references in this title to other portions of the title, or other provisions of law, where the word "see" is used, are made only for convenience, and shall be given no legal effect.

(b) Arrangement and classification. No inference, implication, or presumption of legislative construction shall be drawn or made by reason of the location or grouping of any particular section or provision or portion of this title, nor shall any table of contents, table of cross references, or similar outline, analysis, or descriptive matter relating to the

contents of this title be given any legal effect. The preceding sentence also applies to the sidenotes and ancillary tables contained in the various prints of this Act before its enactment into law.

10. CITATION

1. Location or grouping of section

Fact that 26 USCS Sec. 4161(a) is located in part of Code dealing with recreational equipment and sporting goods is of little significance in determining applicability of tax to lures used in commercial fishing since Sec. 7806 provides that nothing is to be inferred from grouping or indexing of any particular section. Nordby Supply Co. v United States (1978, CA9 Wash) 572 F2d 1377, cert den 439 US 861, 58 L Ed 2d 170, 99 S Ct 182.
